Nomination Criteria

Speed Skating

&

Short Track

Purpose

The objective of the Ice Speed Skating New Zealand Incorporated (ISSNZ) Nomination Criteria is to ensure the nomination of the best possible teams and athletes to the New Zealand Olympic Committee (NZOC) for consideration of selection to the Milano-Cortina 2026 Olympic Winter Games to be held in Milano-Cortina, Italy from 6-22 February 2026 (Milano 2026). This requires ISSNZ to establish nomination criteria for athletes to demonstrate the level of results required under the NZOC Selection Policy, New Zealand High Performance Strategy and the current ISSNZ Strategic Plan.

This Nomination Criteria is issued by the ISSNZ Board and shall take effect from 1 December 2024. This Nomination Criteria supersedes any previous correspondence, discussions and representations by ISSNZ regarding nomination and selection for Milano 2026.

This Nomination Criteria remains in force until amended or revoked by the ISSNZ Board in compliance with the ISSNZ's Constitution in relation to policies, provided that NZOC has approved the amendment or revocation and any such amendment/revocation is prior to the Nomination Date.

This Nomination Criteria will be made available on ISSNZ's website at <https://icespeedskating.org.nz/>.

Interpretation

1. Unless the context otherwise requires, terms used in this Nomination Criteria shall have the same meaning as in ISSNZ's Constitution and Regulations.
2. No nomination criteria will be weighted more or less significantly by reason of the order in which that criterion appears in this Nomination Criteria unless otherwise stated.

Selectors

3. The ISSNZ Selection Committee task is, in consultation with any designated coaches and other technical persons, to nominate athletes and teams to the NZOC for consideration of selection for the NZ Team at Milano 2026. The Selection Committee will make recommendations regarding nominations to the ISSNZ Board for approval prior to nomination to the NZOC.
4. The composition of the ISSNZ Selection Committee will be published on ISSNZ's website at <https://icespeedskating.org.nz/>. Any changes to the ISSNZ Selection Committee will be in accordance with the ISSNZ Constitution and Regulations.

5. To be eligible for nomination, all athletes must:
 - (a) be a member of an ISSNZ affiliated club and be registered with ISSNZ; and

Qualification for a place in any Ice Speed Skating Event(s) by an athlete or team does not guarantee that athlete or team will be nominated or selected to compete in the Ice Speed Skating at the Games.
