4.5 **Extenuating Circumstances:** In any decision regarding the nomination of Athletes to the Games Team, the Selectors may, in their sole discretion, consider any Extenuating Circumstances in accordance with clause 6 below.

5. Over-riding Nomination Criteria and Specific Nomination Factors

5.2 **Evidence**

In determining whether or not the Athlete (or group of Athletes) satisfies the Over-Riding Nomination Criteria in clause 5.1(a) or (b), and (c) and subject to clause 5.4, the Selectors shall consider in priority order:

(a) **Primary Criteria (Individual Medal Focus)**

- i. In relation to the Primary Criteria, the Selectors will only consider Athletes who have recorded a time within the Qualification Period at a Qualification Competition that is equal to or faster than the Individual Swimming Qualifying Time in column(s) "A" of Table 1 in the Individual Swimming Event that the Athlete is seeking nomination for the Games Team. Heats, finals and single gender relay lead-off splits will be included in Selectors' consideration.

- ii. If there are more than three Athletes within the same Individual Swimming Event vying for nomination who achieve the Primary Criteria, the Selectors may only consider the three fastest Athletes with Individual Swimming Qualifying Times achieved in Qualification Competitions for the relevant Individual Swimming Event.
- iii. If there is a tie for third place in consideration of Clause 5.2(a)(ii), the Selectors will rank tied Athletes using the Athletes' times in the final of the relevant Individual Swimming Event at the 2026 NZ Swimming Championship. If there is still a tie for third place, then the Selectors will rank tied athletes using a swim-off in the relevant event at the 2026 NZ Swimming Championships. Such swim-off shall take place at a time agreed between the event management and the parties involved. Another swim-off may take place if equal times are registered again. If required, a swim off will take place to determine third place if equal times are still recorded.
- iv. Athletes nominated under the Primary Criteria must be available to swim in any requested Relay Event.

(b) Secondary Criteria (Relay Medal Focus)

- i. In the event quota places remain after applying the Primary Criteria, the Selectors will consider Athletes whose times, when combined with up to three other Athletes, produce a composite relay time that is equal to or faster than the published Relay Qualifying Time in Table 2.

Relay	Times used	Men	Women	Mixed
4 × 100m Freestyle	Four fastest 100m Freestyle times at Qualification Events in the Qualification Period (sum of those 4 times)	3:12.85	3:37.37	3:24.91

- ii. Individual heats and finals, and splits from single gender relays will be included in Selectors' consideration for single gender Relay Events.
 - iii. Splits in mixed gender relays will also be included in Selectors' consideration for mixed gender Relay Events.
 - iv. A deduction of approximately 0.6 seconds will typically be applied when combining times registered from a standing ("gun") start in consideration of relay changeovers.
 - v. If there is a tie of two or more swimmers for a final Relay Event place, the Selectors will rank tied Athletes using the Athletes' times in the final of the relevant Individual Swimming Event at the 2026 NZ Swimming Championship. If there is still a tie, then the Selectors will rank tied athletes using a swim-off in the relevant event at the 2026 NZ Swimming Championships. Such swim-off shall take place at a time agreed between the event management and the parties involved. Another swim-off may take place if equal times are registered again. If required, a swim off will take place if equal times are still recorded.
 - vi. If considered significant for Individual and/or Relay medal success, the Selectors may consider nominating a fifth swimmer for a Relay Event.
- (c) **Final Criteria** In the event, quota places remain after applying the Primary and Secondary Criteria, the Selectors may, in their sole discretion, nominate additional Athlete(s) who, in the following priority order:
- i. has the potential capability to achieve a top 16 placing in the LA 2028 Olympic Games in that Individual Swimming Event, provided they have a track record of sufficient quality and depth that the Selectors believe the Nominated Athlete will be competitive at the Games and will perform creditably in the Individual Swimming Event at the Games. This criteria in this clause 5.2(c)(i) will only apply in **RARE** circumstances where it is considered the level of the expected field in the Individual Swimming Event at the Games is likely to be comparable to the level of competitiveness of the expected field at the LA 2028 Olympic Games and such disparity would otherwise exclude the Athlete from being nominated to compete in the Games; then

- ii. has clearly demonstrated the capacity to satisfy the Over-Riding Nomination Criteria (Clauses 5.1(a) and (c)) by swimming a time equal to or faster than the Individual Swimming Secondary Qualifying Time in column(s) “B” of Table 1 within the Qualification Period at a Qualification Competition.
- iii. Athletes nominated under the Final Criteria must be available to swim in any requested Relay Event.

5.3 **Specific Nomination Factors:** When considering the Over-riding Nomination Criteria above, the Selectors may also take into account any one or more of the following factors about an Athlete within the Qualification Period:

The Selectors shall, no later than the Nomination Date, examine the credentials of all Athletes for Swimming Events. If there are more Athletes who meet the Criteria set out in clause 5.2 than quota places available, then nomination by the Selectors will be in the following priority order:

- (a) If after applying the Primary Criteria, there are more Athletes who meet the Primary Criteria across all Individual Swimming Events than quota places available then the Athletes will be prioritised in the following order:
 - i. an Athlete’s Commonwealth Ranking for the period 1 July 2025 to 17 May 2026. This is established by considering only Commonwealth athletes in the

- World Aquatics Rankings for the period, to a limit of 3 athletes per nation;
then
- ii. an Athlete's Commonwealth Ranking for the period 1 July 2025 to 17 May 2026 in any second Individual Swimming Event meeting the Primary Criteria;
then
 - iii. the Commonwealth Ranking for the period 1 July 2025 to 17 May 2026 of an Athlete's second-best time in the relevant Individual Swimming Event in a Qualification Event in the Qualification Period.
- (b) If after applying the Primary Criteria, there are more Athletes who meet the Secondary Criteria than the remaining quota places available, then the Relay Event will be prioritised by the Selectors:
- ii. by ranking their calculated Relay Qualifying Time against the Commonwealth Relay Ranking for the period 1 July 2025 to 17 May 2026. This is established by considering only Commonwealth countries and/or Commonwealth athletes in the World Aquatics Rankings for the period, either as a completed relay or calculated from Individual Swimming Events.
 - iii. In the event that there are not enough quota places available to nominate all 4 Athletes who have achieved the Relay Qualifying Time as per the Secondary Criteria, then Athletes may be nominated on the condition that sufficient places become available as per the Reallocation process in Clause 7.4.
- (c) If after applying the Primary and Secondary Criteria, there are more Athletes who meet the Final Criteria than the remaining quota places available, then the Athletes will be prioritised by the Selectors based on:
- i. the ability for the Athlete to form a team in a Relay Event with other Nominated Athletes; then
 - ii. order of Commonwealth Ranking for the period 1 July 2025 to 17 May 2026; then
